Dear Bidder,

Notice of Project Rejection: RFQ 19-098, Cashiering System

Thank you for your response to the above referenced RFQ 19-098.

This letter is to notify you that the City has decided to reject all proposals received on this project. City staff has reviewed the proposals and determined that it is in the City's best interest to reject all proposals. Through this project, we have learned a great deal about capabilities and our internal requirements in an e-system and we intend to update the scope of work, to better fit our current needs and reintroduced the project later this year.

We are sorry for this inconvenience and hope you will continue to bid City projects. We'll be sure and reach out to you once we have the new RFQ ready to publish.

Thank you for your interest in meeting the needs of the City of Boise. Your participation in the process is appreciated.
